Report- 2020-21

Background:-

Jan Kalyan Samajik Sansthan (JKSS) is registered under MP Society Registration act 1973 on April 21, 1999. Organization is working for the cause of social development and welfare of common people. This was created by a group of college students on 02 October 1998. That time it was known Youth Chetana Club and after the registration got new name called- **Jan Kalyan Samajik Sansthan**.

Initially JKSS started working on youth development and further incorporated other development issues i.e. plantation, Sanitation, elementary education, health, skill and leadership development program for youth and women's, NRLM, HIV/AIDS, TB/ RNTCP, Gram Sabha Empowerment, Agriculture and against social evils etc.

The organization is having strong coordination with different government departments/ agencies, National and International development partners, CSOs, Universities, Academia and professionals for support in implementation of various community based interventions.

Our Guiding Principles:-

Every actor operates on the basis of some set of fundamental principles, whether plainly stated or implicitly understood. Further, an examination of organizations that are held in universal esteem reveals a great commonality in these principles. In the other words, to a great extent, an organization from throughout the world to share the same fundamental assumptions or beliefs that makes their successful operation possible.

JKSS is also strongly believes in people's power and their participation in action for sustainable development. They may play greater role as change agent and facilitator in promotion of alternate people's mechanism at grass root level.

Demographic profile (as per Census 2011):-

The JKSS is currently working in Rajnandgaon, Durg, Raipur and Kawardha districts of Chhattisgarh state. Basic demographic info is mentioned bellows-

Financial status/ Income and Expenditure (last three years):-

Particular	2018-19	2019-20	2020-21
Turnover in INR	45,29,591	41,51,604	58,73,893

Major Achievement:-

1. Activated and strengthened village level organizations of Panchayat.
2. Community claim of 06 villages of 03 Panchayats.
3. Provided training to women to prepare people for domestic violence.
4. Farmers started using SRI farming method.
5. People were motivated for coarse grains, which increased the production.
6. The number of patients in OPD has increased in PSC and CHC earlier.
7. 112 PLHIV has been linked under Link Workers schemes.
8. Condom Dipo Centre established in 120 Villages.
9. 1000 stakeholders were informed about HIV and health facilities.
10. Through the building capacity of self-help group, members started proper management, management, saving, banking, loaning, promotion of livelihood activities and documentation etc.

Impact:

1. Sixty farmers are farming through SRI method.
2. Three Panchayat Community Claim Processed till DLC.
3. Increased production of coarse grains.
4. Women have become aware on domestic violence and arte of reporting/ complaint has been increased.
5. Awareness on about HIV/AIDS and health issues were increased and PLHIV have started taking benefits of government schemes.

6. General population started picking condom from depot established at public places and using as well.
7. Women became proficient to run their own/ self-employment/ livelihood activities.

Challenges faced:-

- As most of the village people are from PBL or tribal community, they are going to field or forest for daily wages/livelihood hence not available to participate in each event.
- Most of the time, PRI officials not providing adequate or desired support to resolve the community issues.
- Access is difficult in geographically hilly or in remote area.
- Sometimes, block and district level government not coordinating as per the need.
- Due to misconceptions on HIV, community mobilization and motivation process need to be reviewed.
- General community is still having great stigma and discrimination against PLHIV.
- Lack of fund at project level is also one of the constraints for timely action and support to community.
- Staff dropout is a big challenge under HIV/AIDS prevention and control program.
- Weak documentation skills of SHGs leaders.
